WORK EXPERIENCE

TWD – JavaScript Tutor
- The Web Dev (TWD) is a place, where you will find all the resources to take your Web-development to the next level.
- This channel contains full-length video series, with detailed instructions for building production level web-apps. The channel also contains advice for young people to become Web developers.

AVODHA -Full Stack Developer Tutor-ENGLISH, Tamil
- I worked as a Tutor in Avodha aa s PHP-Full stack developer for 8 months.
- My contribution is to provide content for 2 hours daily and also I want to clear the dough for students in the live class. I've enjoyed the work a lot because I have a lot of time freedom and also the team, I work with takes care lot in every work I made there...

Business Web Solutions-Internship

- Creating a New website from the scratch. Redesigning and rebuilding the old websites.
- Creating Sitemaps and designing Wireframes. Managing workspaces along with working with teams.
- Create effective content & ensuring user engagement.
- Working on Front-End to create an interactive User Interface (UI).
- Building Easy Navigation to create a solid User Experience (UX). Working on Back-End to ensure Fast and Error-free loading of the website.
